

SURFACES
GROUP

ABERNATHY GREENWAY

Sandy Springs, GA

This project involved the installation of over 1,000 tons of stone veneer. The crab orchard rubble was sourced at quarry to ensure the colors were consistent throughout the project. Over 715 LF of custom fabricated granite treads were installed within park. The parking lot consists of over 16,000 sq ft of permeable pavers, and over 9,000 LF of gray crab orchard banding line the sidewalks.

Client:

City of Sandy Springs, GA
